VEDA Circle is happy to announce a grand 11-day program of **Shri Shatachandi Mahayagnam & Maharudra Mahayagnam** celebrating Navaratri 2019.

The Worship of Goddess Chandi highlights the importance of feminine energy and this is reflected in many of its spiritual worships. Goddess Shakthi is the embodiment of all the divine forces and she is the Mother of the Universe. She is the savior of her children on the earth and protects them from all the evil. The Goddess had attained various forms to kill the Asuras (Demons) who were torturing the humans and the Celestials (Devas). Devi Mahatmyam talks about the importance of Chandika Devi in detail. She is the primordial energy that is responsible for the creation, sustenance and destruction of this entire universe. She is the sum total of the energies of all beings of this universe. Shatachandi Mahayagnam involves the recitation of the Sri Durga Saptashati 100 times over 10 days, with accompanying Chandi homam on each of the days.

Rudra is another name for Lord Siva. References to Him as Lord Rudra Siva are fairly common. Sri Rudram (also known as Namakam) and Chamakam (so called due to the repeated occurrences of the words 'cha' and 'mey') are among the sacred mantras of Yajur Veda. These mantras occur in the fourth Canto (Kanda) of the Taittiriya Samhita of Yajur Veda. Eleven recitations of Sri Rudram followed by one recitation of Chamakam is called Ekadasa Rudram. Eleven Ekadasa Rudram makes one Laghu Rudram. Eleven Laghu Rudram makes one Maharudram. Eleven Maharudrams make one Athi Rudram. For the Maharudram, 121 Ritwiks are involved in chanting the "Sri Rudram" resulting in 1,331 chantings of Namakam and 121 chantings of Chamakam. The Rudra Homam will be performed by 12 Priests/Ritwiks.

VEDA CIRCLE requests all devotees to attend with family these 11-day celebrations and take the blessings of the divine couple Lord Shiva and Goddess Parvati and be part of this great event at SDT. **THANK YOU.**
